"Class FTD" and all "Times" based off of driver averages from each event and not one single lap due to aggregate nature of ITT scoring.

Points calculated as a percentage from CLASS fastest time (each class completing within itself only)

Points are accumulated only in the class most run; for those that ran in more than one class, the lesser class did not count toward points
 (i.e ran 1 as AU and 3 as AS, only 3 events in AS go toward points)
