1. "Class FTD" and all "Times" based off the driver's average run time from each event, not one single lap due to aggregate nature of ITT scoring.

2. Points calculated as a percentage from "Class FTD" (each class completing within itself only)

3. Points are accumulated only in the class most run. For those that ran in more than one class, the lesser class did not count toward points (i.e ran 1 as AU and 3 as AS, only 3 events in AS go toward points)
